

Self Management Seminar

The art of self-organisation and motivation

Seminar objective

In the "Self-Management" seminar, participants will learn how to effectively plan their time, motivate themselves and successfully achieve goals. They will improve their self-management skills by being introduced to appropriate tools and techniques. Participants will learn how to set priorities, make decisions and delegate their work effectively to achieve a better work-life balance. Practical exercises and methods support participants to develop and improve their self-management skills.
