

The power of positive aggression

Use your aggression wisely

Seminar objective

Learn in this training to direct your aggression into the right channels. Aggression is also associated with energy, which can be the driving force for new things! In this seminar, you will learn how to better understand your own aggression and how to make the most of its positive form. The goal of the seminar is to consciously perceive the positive and negative effects of aggression. In the seminar the positive aspects of dosed aggression are presented and the negative aspects of aggressive behavior are made conscious.
